Intuitive web-based applications for quickly analyzing and accurately
interpreting the biological meaning in your genomic data

What kind of data are you analyzing? Select an option below and learn how QIAGEN's Ingenuity can help.

URL changes once one selects IPA from the product list

The screenshot shows a web browser window with the URL www.ingenuity.com/products/ipa. The browser's address bar and tabs are visible at the top. The website's navigation bar includes the Ingenuity logo and links for PRODUCTS, SCIENCE, BLOG, and LOGIN. A search bar is located on the right side of the navigation bar. The main content area features a Newton's cradle with a green ball on the left and a sign-up box on the right. The sign-up box contains the text "CURRENT USER? [LOGIN HERE](#) >>", "INGENUITY PATHWAY ANALYSIS", a large blue button labeled "SIGN UP FOR IPA" with "SIGN UP TODAY" below it, and links for "JOIN IPA LICENSE >>" and "DOWNLOAD THE DATASHEET" with a download icon. A red arrow points from the text "URL changes once one selects IPA from the product list" to the browser's address bar. Another red arrow points from the text "Click sig up" to the "SIGN UP FOR IPA" button. Below the main content area is a horizontal menu with tabs: OVERVIEW, FEATURES, ADVANCED, APPLICATIONS, WEBINARS, TRAINING, and RESOURCES. At the bottom, a blue heading reads "Model, analyze, and understand the complex biological and chemical systems at the core of life science research with IPA".
